

A
MAP
OF THE COUNTRY
ADJACENT TO KINGSBRIDGE

Surveyed by Order of His Excellency
General Sir Henry Clinton K.B.
Commander in Chief of the Army in America
1781

Scale of the British Gun to Chains
1" = 1000' = 1 Mile

Remarks: This is a general plan of the Country adjacent to Kingsbridge, taken at the distance of 1000 Yards from the Mountains. It is not intended to show the exact Situation of the Mountains, but only to give a general Idea of the Situation of the Country. The Mountains are marked with small Hills, and the Rivers with small Streams. The Mountains are marked with small Hills, and the Rivers with small Streams. The Mountains are marked with small Hills, and the Rivers with small Streams.
